

GLENDALE CONTINUUM OF CARE (COC) LANDLORD INCENTIVE PROGRAM

The City of Glendale offers a monetary incentive to encourage landlord participation in various housing programs offered by the Glendale Continuum of Care (CoC) in its goal of ending homelessness community-wide.

The Landlord Incentive Program (LIP) provides a one-time bonus—not to exceed \$3,500 per unit—to incentivize landlords to participate in the CoC's subsidized housing programs to house the programs' participants. The LIP includes a holding fee of up to one month's rent and damage mitigation.

For more information about the program and how to participate, please contact:
